WORLDWIDE STUDENTS OF PROFESSOR JALAL A. ALIYEV

SULEYMAN ALLAHVERDIYEV

Since 1983 – Institute of Fundamental Problems of Biology, Russian Academy of Sciences;
1984 **-** Institute of Plant Physiology, Sofia, Bulgaria;
1985 - Institute of Physics, Poznan, Poland;
1987, 1988 and 1990 **-** Institute of Microbiology, CAS, Trebon**,** Czechoslovakia;
1990, 1992 - Institute of Plant Physiology, BRC, HAS, Szeged, Hungary;
1991 - Jawaharlal Nehru University, Department of Chemistry, University of Poona and Madurai Kamaraj University, School of Biological Sciences, Madurai, New Delh., India;
1992,1994 - Universite du Quebec a Trois-Rivieres, Canada;
1993 - MA, Boston College, Department of Chemistry, USA;
1993 - University of Gazi, Department of Chemistry, Ankara, Turkey;
1993 - University of Essex, Department of Biology, UK;
1993 - University of Padova, Department of Biology, Italy;
1995 -1996 - Department of Biophysics of Huygens Lab. of the State University, The Netherlands;
1995 - DB-SBPH, CEN Saclay, Gif Sur Yvette, France;
1995, 1996 - Consejo de Investigaciones Cientificas, Estacion Experimental de Aula Dei Spain;
1996 – University of Queensland, Department of Botany, Australia;
1999 - Sung Kyub Kwan University, Department of Biology, South Korea;
1997, 2005 - National Institute for Basic Biology, Okazaki, Japan;
2006 – Umea Plant Science Centre, Umea University, Sweden;
2006 – 2008 - Research Center for Molecular-scale Nanoscience, Institute for Molecular Science, Okazaki, Japan;
2009 - Kyoto University, Japan;
2010 - Tokyo University, Japan;
2010 - Kyoto University, Japan;
2011 - Kyoto University, Japan;
2011 - Technical University of Berlin, Germany;
2012 - Pusan National University, South Korea;
2012 - University of Turku, Finland;
2013 - Technical University of Berlin, Germany;
2013 - Okayama University, Japan
2010 - Present**,** Head of Controlled Photobiosynthesis Laboratory, Institute of Plant Physiology, RAS, Moscow

AYDIN MURADOV

1987- 1989 – Max-Plank Institute, Koln, Germany;
1989-1993 – University of Queensland, Brisbane, Australia;
1993-1999 – NavaFlora Biotechnology Company, Philadelphia, USA;
1999-till now – Victorian AgriBiosciences Centre, Melbourne, Australia

ASAF SALAMOV

1993-1996 - Baylor College of Medicine, Houston, TX, USA;
1997-1998 - Helix Research Institute, Kisarazu, Japan;
1998 – 2000 - The Welcome Trust Sanger Institute, Cambridge, UK;
2000 – 2002 - EOs Biotechnology, San Francisco, USA;
2003 – till now - DOE Joint Genome Institute, Lawrence Berkeley National Laboratory, Walnut

Creek, USA

NATIG PIRIYEV

1991 - till now - University of California, Jules Stein Eye Institute, Department of Pathology, Los Angeles, CA, USA

ADIL ABDURRAHMANOV

1992 - till now - University of California, Jules Stein Eye Institute, Department of Pathology, Los Angeles, CA, USA

NOVRUZ AHMADOV

1993 - till now - University of California, Jules Stein Eye Institute, Department of Pathology, Los Angeles, CA, USA

TALEH YUSIFOV

1994 - till now - University of California, Jules Stein Eye Institute, Department of Pathology, Los Angeles, CA, USA

HAKIM MURADOV

1993 – The Weizmann Institute of Science, Department of Biological Regulation, Rehovot, Israel;
1998 - till now - University of Iowa, Department of Molecular Physiology and Biophysics, Iowa, USA

KARIM GASIMOV

1996 – Kobe University, Faculity of Sciences, Department of Biologycal Sciences, Japan;
2000 - 2006 –University of Iowa, Department of Molecular Physiology and Biophysics and Department of Biological Sciences, Iowa, USA

ILHAM SHAHMURADOV

1999 - The Welcome Trust Sanger Institute, Hinxton, UK;
2000 - 2001 – Helix Research Institute, Kisarazu, Japan;
2003 - 2005 – Royal Hollaway, University of London, Department of Camputer Sciences, Egham, UK;
2007 – till now - COMSATS Institute of Information Technology, Department of Biosciences, Islamabad, Pakistan

GARIB MURSHUDOV

1993 – 2011 - University of York, Chemistry Department, Structural Biology Laboratory, York, UK;
2011 – till now - Computational Crystallography Group, MRC Laboratory of Molecular Biology, Francis Crick Avenue, Cambridge Biomedical Campus, Cambridge, UK.

TARLAN MAMEDOV

1998 - 2001 – Tohoku National Agricultural Research Center, Morioka, Japan;
2001 - 2002 – Japan International Research Center for Agricultural Sciences, Okinawa, Japan;

2002 - 2004 – University of Nebraska, Lincoln, George Beadle Center, Biochemistry Department, Lincoln, USA;
2004 - 2006 – University of Nebraska, Lincoln, Chemical and Biomolecular Engineering Department, Lincoln, USA;
2006 – 2009 - University of Nebraska, Lincoln, Chemical and Biomolecular Engineering Department, Lincoln, USA
2009 - till now - Fraunhofer USA Center for Molecular Biotechnology

GULNARA HASANOVA

2000 – 2002 – Tohoku National Agricultural Research Center, Morioka, Japan;
2003 – 2004 – University of Nebraska, Lincoln, School of Sciences, Biology Department, George Beadle Center, Lincoln, USA;
2004 - till now - University of Nebraska, Lincoln, Chemical and Biomolecular Engineering Department, Lincoln, USA

VIDADI YUSIFOV

1991-1915 - Purdue University, West Lafayette, Indiana, USA
1995- 2001 - Thomas Jefferson University, USA
2001 – till now - Fraunhofer USA Center for Molecular Biotechnology

YASHAR FEYZIYEV

1997 – Kwansey GakuinUniversity, Faculty of Phisics, Japan;
1999 – 2004 - Lund University, Department of Biochemistry, Sweden;
2004 - 2005 – RIKEN’s Photodynamics Research Centre, Laboratory of Photobiology-1, Japan

NAILA TAGIEVA

Institut Cochin de Génétique Moléculaire, Paris, France

SHAHIRA ZAHRABEKOVA

1999 - 2001 - Lund University, Department of Biochemistry, Sweden;
2001 – 2004 – Göteborg University, Department of Cell and Molecular Biology, Sweden;
2005 – till now - Lund University, Department of Biochemistry, Sweden;
2008 – till now - Carlsberg Research Center 10 Gamle Carlsberg Vej 1799 Copenhagen V, Denmark

TATYANA SAVCHENKO

1999 – Weizmann Institute of Science, Department of Biological Chemistry, Rehovot, Israil;
2001 – 2012 - University of California, Davis, USA
2012- till now - Puschino Institute of Basic Biological Problems, Russia

ISMAYIL ZULFUGAROV

2004 – till now - Pusan National University, College of Natural Sciences, Department of Biological Sciences, South Korea

ALAMDAR MAMMADOV

2003 - Utah State University, USDA-ARS, Forage & Range Research Laboratory, Logan, USA;
2007 – University of Nebraska, Lincoln, Department of Chemical and Biomolecular Engineering Nebraska, USA
2012 - UMR 1332 Fruit Biology and Pathology, INRA Centre Bordeaux, Frsance

SHAHNIYAR BAYRAMOV

2003 - Universite De Paris XI Paris-Sud, Department of Molecular Plant Physiology, France;
2004 – Newcastle University, Institute for Cell and Molecular Biosciences, Department of Eukaryotic Cell Biology and Biochemistry, NE17RU, UK;
2005, 2006 - Universität Osnabrück, Department of Plant Physiology, Germany;
2007 – University of Essex, Department of Biological Sciences, UK;
2012 - Inistituto de Bioquimica Vegetal y Fotosintesis, Universidad de Sevilla and CSIC Avda Americo Vespucio, Spain;
2012 - Plant Biology and Crop Science, Rothamsted Research, UK

YAGUT AKBAROVA

2007 – 2009 - Biochemistry Department, Sultan Qaboos University, Oman;
2009 - till now - Department of Medical Genetics, Faculty of Medicine, Erciyes University, Kayseri, Turkey

GULNARA BALAKISHIYEVA

2007- 2010 - UMR 1332 Fruit Biology and Pathology, INRA Centre Bordeaux, France;
2007- 2010 - University Bordeaux Victor Ségalen, UMR 1332 Fruit Biology and Pathology, Villenave d'Ornon, France

RAHILA RAHIMOVA

2011 – 2013 - Fraunhofer USA - Center for Molecular Biotechnology

ELMIRA MAHARRAMOVA

2011 – till now - Botanischer Garten und Botanisches Museum Berlin-Dahlem, Freie Universität Berlin, Germany

AYTAN AGAYEVA

2014 – Fraunhofer USA - Center for Molecular Biotechnology
